

Are you an illustrator or a photographer? Enter the SOSidea Team

SOSidea is currently working and spending a lot of money and time to make its brand known. Our high quality illustrations and photographs should serve the market left uncovered by Gettyimages™ and Corbis™, without becoming a competitor but being their right complement.

If you type "**illustration**" in Google, you will always see the SOSidea ad, and this gives our site a good visibility, which we hope to make it grow with the help of your pictures, too.

There are two ways to be part of SOSidea (after subscribing, obviously, at <http://www.sosidea.com/gallery/index.php?pagelid=115&start=0>):
